- (A) "Hudson" Steam Loco and Tender with Smoke, Whistle, Headlight and Magne-Traction—The "Hallmark" of model railroading locos. This mighty 14 wheeler is detailed to perfection and measures 23" long. (Operates on "O" and Super "O" track only.) No. 773LTS \$85.00
- (B) Section Gang Car—Entertaining and self-propelling! When car strikes a bumper or other object, it reverses direction and one of the gangmen moves to the other side of the car. Action is continuous. Car No. 50 \$7.95
- (C) "Berkshire" Steam Loco and Tender with Smoke, Whistle, Headlight and Magne-Traction — The 14-wheeler that's the "King of Steamers"! Loco and tender measure 20½" long. (Operates on "O" and Super "O" track only.) No. 736LTS \$49.95
- (D) Steam Loco and Tender with blazing Headlight, Rail-Gripper Wheels, Smoke and Whistle—A real work-horse with jeweled running lights and colorful white stripe. Loco and tender 17" long. (Loco will not operate on Super "O" track.) No. 238LTS \$25.95
- (E) Motorized Hand Car — A delightful addition to Lionel's family of self-propelling motorized units . . . a "must" for every railroad layout. As unit moves along, gangmen raise and lower their arms in a pumping manner. Car is self-propelling. 6" long. No. 65 \$9.95
- (F) Die-Cast Steam Loco with Tender features Real Smoke, Blazing Headlight, Whistle and Rail-Gripper Wheels —As rugged as "all outdoors" and ready to pull "man-sized" loads. Loco and tender measure 18¼" long. No. 2029LTS \$36.95
- (G) Minneapolis and St. Louis "AA" Diesel with Headlight and Rail-Gripper Wheels—Elegantly styled with colorful red and white markings. Units together measure 22" long. No. 213 \$25.00
- (H) Santa Fe "AA" Diesel with Headlight, Horn, Magne-Traction and Two Motors—The "King of Diesels"! Styled after the GM F3 type diesel with authentic red and silver Santa Fe markings. Units together, 26" long. No. 2383 \$55.00

LIONEL LOCOS . . . THE BEST IN MODEL RAILROADING

(J) **Aerial Target Launching Car**—A thrilling sight to behold! When train starts up . . . Target Balloon is launched by a jet of compressed air. Specially designed air compressor on the car keeps balloon aloft as train goes around the track. Car 11" long. No. 3470 \$9.95

2 "D" Batteries Required
(Not Included)

(M) **"Minuteman" Missile Launching Car**—A real headline maker! By remote control, roof of car separates and launching mechanism elevates to firing position . . . at this point missile blasts off automatically toward target. Missile will "shoot down" the Aerial Target Balloon and "explode" the Target Range Car. Car 11" long. No. 3665 \$9.95

(P) **Operating Helicopter Launching Car**—A favorite with everyone! After spring in the launching mechanism is wound, the "whirlybird" can be sent soaring up in the air by remote control. Car 11" long. No. 3419 \$7.95

(K) **Mercury Capsule Launching Car**—Ready to conquer "new horizons"! Mounted on a railroad car is a high powered missile ready to fire a Mercury Capsule by remote control. At a specific height after launching, missile falls back to earth and Mercury Capsule continues to soar. At its peak height Mercury Capsule turns upside down and descends back to earth slowly and gracefully through the use of a parachute. Car 11" long. No. 3413 \$9.95

(N) **Operating Satellite Launching Car**—A real headline maker! By a remote control operation, satellite is orbited in a spiral path high into the atmosphere. Its descent back to earth is slow and graceful. Car 11" long. No. 3519 \$7.95

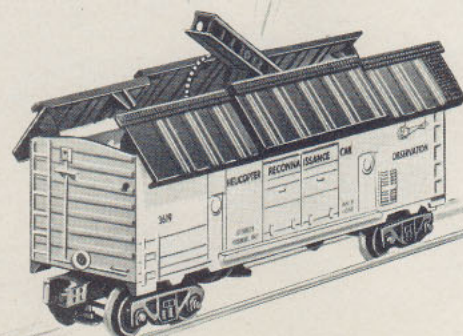

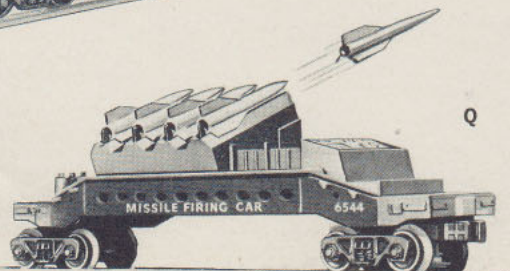

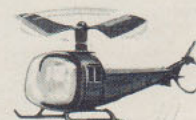

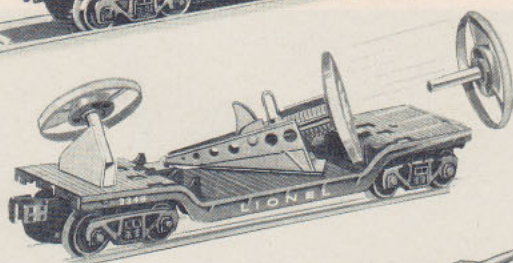

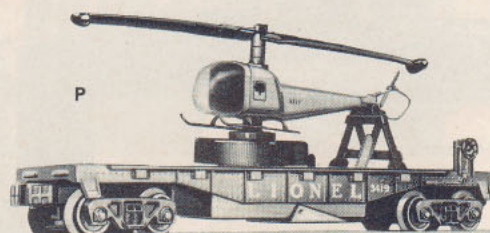

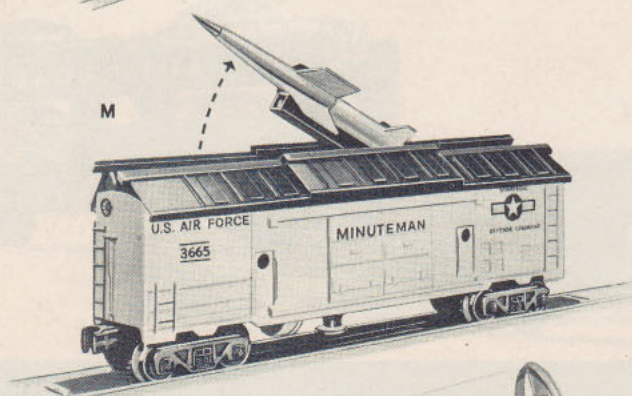

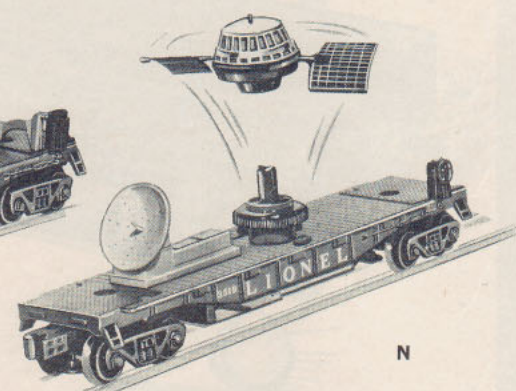

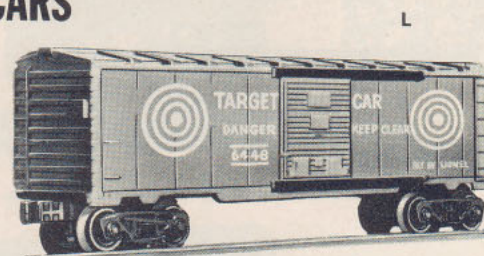

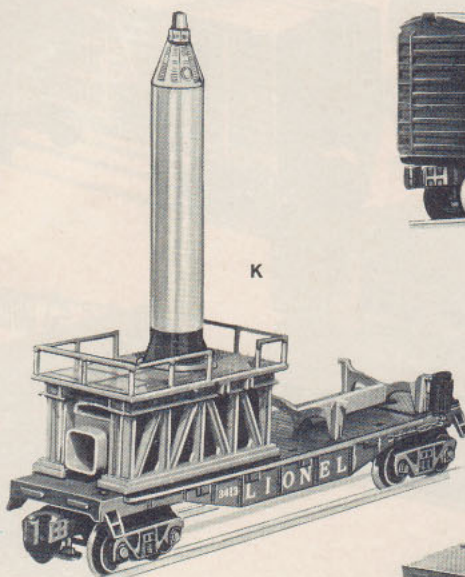

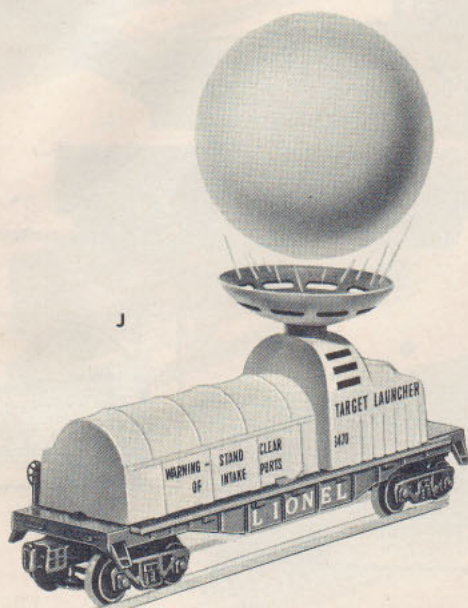

(Q) **Missile Firing Car**—By rotating wheel on car, missiles can be fired in sequence. Missiles will "shoot down" the Aerial Target Balloon and "blow apart" the Target Range Car and Exploding Ammo Dump. Car 11" long. No. 6544 \$7.95

(L) **Exploding Target Range Car**—Hit the bullseye and see the action! Projectile from any of Lionel's missile cars and accessories will "explode" this target car. Reassembles easily to be used over and over again. Car 11" long. No. 6448 \$5.95

(O) **Turbo Missile Launching Car**—A "whirlwind" with a load of firepower! When firing pin is pressed, missile "takes off" whirling at top speed. By manually setting the direction . . . missile can be used as a projectile to bring down the balloon on the Aerial Target Car and "blow apart" the Exploding Target Car. Complete with spare missile. Car 11" long. No. 3349 \$6.95

(R) **Reconnaissance Copter Car**—The secret weapon of tomorrow! Hidden inside an innocent looking box car is a "high flying" helicopter ready for launching. By remote control . . . roof of car separates and helicopter springs out, soaring high into the air. Comes in yellow with black roof. Car 11" long. No. 3619 \$10.95

LIONEL "SPACE-AGE" ACTION CARS

(A) Cop and Hobo Car—A spectacular chase that's loaded with fun! As train races down the track, hobo leaps from the car to the trestle and cop leaps from trestle to car. The situation reverses itself when the train again passes under the trestle. Action is continuous. Car 9" long.
No. 3357 \$7.95

(B) Animated Sheriff and Outlaw Car —A touch of the "old west" in model railroading! As the car rolls along, a dramatic gun battle takes place. When the sheriff comes up to shoot, the outlaw ducks down. The outlaw comes up to shoot and the sheriff drops down. Car 9" long.
No. 3370 \$7.95

(C) Single Dome Chemical Car—Real railroading at its best. Brightly colored, this authentic looking car includes a ladder on both sides and a platform on top for loading and unloading the vital cargo of chemicals for industry. Car measures 11" long.
No. 6315 \$5.95

(D) Rodeo Car — Straight from the "wild and woolly west!" Peering out from their specially designed box car are four animated stallions on their way to the rodeo. Box car comes in yellow with red markings. Car 9" long.
No. 6473 \$5.95

(E) Crane Car—Ready to do a heavy duty job! Crane has two handles, one elevates the boom while the other raises and lowers the hook. Cab swivels at its base. Car measures 8" long.
No. 6560 \$7.95

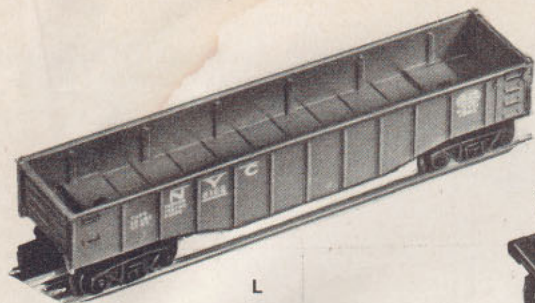

(F) No. 2405 Santa Fe Pullman
No. 2404 Santa Fe Vista-Dome (not illus.) \$5.95
No. 2406 Santa Fe Observation (not illus.) 5.95
No. 2521 Illum. "President McKinley" Observation \$14.95
